How are you spending your summer?

As relaxing as it may be to chill at the pool or hang out with friends, what if you chose instead to make an eternal impact in the lives of kids right where you live?! High school and college students from around your state are coming together to reach the boys and girls of your community – and YOU can be a part of this team!

CYIA™ is a program designed to train you and a team of other young people in effective and engaging ways to teach children about God. You will attend a one week training school (June 12-19) where you will learn to present the Gospel clearly on a child's level, counsel a child for salvation and lead a dynamic club ministry for kids. The following week you will continue training in your home chapter. Your local director will provide the details for this additional week. Components of this club include teaching a Bible lesson, a real-life missionary story and a Bible verse as well as leading songs, games and a fun review time.

After this training, you will return to your local community and teach clubs at various locations with a team of other young people. These clubs take place out in the community with predominantly unsaved kids who don't regularly attend church. You will be able to take the light of the Gospel to them in their apartment complexes, day care centers, neighborhoods, schools and other community locations. You will teach clubs for 3-4 weeks during the summer.

If you have a heart for ministry and want to team up with other young people to reach the children in your community, then CYIA is for you! Just think, this summer you can:

- **Reach** boys and girls with the Gospel
- **Grow** in your faith and vision
- **Build** new friendships
- **Learn** communication, teamwork, endurance, responsibility, and self-confidence
- **Gain** experience for ministry in your own local church, school or vocation

Now, doesn't THAT sound like a rewarding summer?!
